EXHIBIT A TO U.S. GOVERNMENT LEASE CHANGE OF LESSOR FORM

Supplemental Agreement No. 6

To Lease No. GS-02206

The following provision is made a part of the Lease:

1. CENTRAL CONTRACTOR REGISTRATION

(a) Definitions

- (1) "Central Contractor Registration database" and "CCR" mean the primary Government repository for contractor information required for the conduct of business with the Government. CCR is a centrally located, searchable database which assists in the development, maintenance, and provision of sources for future procurements.
- (2) "Registered in the CCR database" means that-
 - (i) The contractor has entered all mandatory information, including the DUNS number or the DUNS+4 number, into the CCR database; and
 - (ii) The Government has validated all mandatory data fields and has marked the record "Active."
- (b) Lessor must be registered in the CCR database during performance and through final payment under this Lease. Transferee must register via the Internet at http://www.ccr.gov. To remain active, Lessor is required to update or renew its registration annually. Transferee must be registered in the CCR for this change of ownership to be approved.
- (c) Transferee represents that Transferee is registered in the CCR database.
- (d) Lessor is responsible for the accuracy and completeness of the data within the CCR database, and for any liability resulting from the Government's reliance on inaccurate or incomplete data. To remain registered in the CCR database after the initial registration, Lessor is required to review and update on an annual basis (from the date of initial registration or subsequent updates) its information in the CCR database to ensure it is current, accurate and complete. Updating information in the CCR does not alter the terms and conditions of this contract and is not a substitute for a properly executed contractual document.
- (e) (1) (i) If Lessor has legally changed its business name, "doing business as" name, or division name (whichever is shown on the lease), or has transferred the assets used in performing the Lease, Lessor shall comply with the requirements of Subpart 42.12 of the Federal Acquisition Regulations (FAR) and provide to the responsible Contracting Officer the representations contained in this form, fully revised and executed, along with written notification of its intention to (A) change the name in the CCR database; and (B) provide the Contracting Officer with sufficient documentation to verify and confirm the legally changed name or change in ownership.
 - (ii) If Lessor falls to comply with the requirements of paragraph (e)(1)(i) of this clause, and, in the absence of a properly executed novation or change-of-name agreement, the CCR information that shows the Contractor to be other than the Contractor indicated in the contract will be considered to be incorrect information within the meaning of the "Suspension of Payment" paragraph of the electronic funds transfer (EFT) clause of this Lease.
 - (2) Lessor shall not change the name or address for EFT payments or manual payments, as appropriate, in the CCR record to reflect an assignee for the purpose of assignment of claims. Assignees shall be separately registered in the CCR database, information provided to a contractor's CCR record that indicates payments, including those made by EFT, to an ultimate recipient other than that contractor will be considered to be incorrect information.
- (f) Offerors and contractors may obtain information on registration and annual confirmation requirements via the internet at http://www.cor.goy or by calling 1-888-227-2423, or 269-961-5757.
